# 12TH INTERNATIONAL STOCKHOLM/SPRINGFIELD SYMPOSIUM ON ADVANCES IN ALZHEIMER THERAPY

**SAVE THE DATES**

**May 9-12, 2012 – Stockholm, Sweden**

The meeting will focus on new targets and drugs for the treatment of Alzheimer's disease. The world's leaders in the field will discuss new trial designs, animal models, neuroimaging including PET and diagnostic recommendations as well as CSF and blood markers. Emerging Novel Therapeutic Targets will be presented and a session on oral communications will be open to young scientists.

We expect approximately 1500 participants, mostly neurologists, psychiatrists, geriatricians and pharmacologists.
